LIVIN' LODGE
They make perfect bunk mates: a modern camp vibe mixed with authentic supplies. A row of hurricane lanterns becomes instant art (if you plan to light them, have a six-inch wall clearance). A classic trunk is living-room friendly when it's made of cedar—and not scrawled all over with your BFFs' URgr8!'s. Hurricane lamps, \$26 each, garrettwade.com. Medium trunk, \$125, trunkoutlet.com. Aspen sofa, \$2,150, the Conran Shop, 866-755-9079

Home From Camp

You don't have to head into the woods and pitch your tent by the shores of Lake Gitchee Gumee. With a few tweaks to sturdy, **STYLISH** camping gear and a few cues from the **SUMMER CABINS** of your youth, you can create a **FUN**, rustic look for your own home—with an overall effect that's more high style than Hiawatha.
