

have a **kahlúa holiday**

entertain with a bit of exotic style

set the scene with:

- wooden bowls
- painted plates
- bold fabrics
- homemade food
- kahlúa™ cocktails
- festive flowers
- lots of candles

With its smooth, slightly
bitter taste, the rich, nutty
flavor of Kahlúa liqueur
makes it a perfect accompaniment
for a variety of dishes and recipes.
In a festive mood? Try it
